

BONUS MONEY SCHEME

Dear Customer

As a valued customer we would like to reward you for your loyalty, so we introduce to you the Catalogue House **Bonus Money Scheme**. To mark our 10 Year Anniversary this year, and starting from the Autumn/Winter 2008 season, which begins in July 2008, every order you place can earn you **BONUS MONEY**, in the form of a credit in your account, which will be deducted from the first order you place in the following season.

To start earning your **Bonus Money**, all you have to do is place orders that total over €175.00 (the equivalent of £100 Catalogue Price) during one season, from any of our catalogues. Transportation Charges and all items you return will be deducted from your total order sum for the season. At the end of the season **we will give you back 2%** of what you have spent with us during the season. There will be no coupon or credit note sent out to you for you to redeem, and you will not be expected to do anything to claim your Bonus Money. The money you earned during the season, by placing orders with us, will be credited **automatically** to your Catalogue House account, and will be deducted automatically from your first order in the new season. Our staff will be able to inform you of the exact amount of **Bonus Money** you have earned, after the first day of the new season.

So all you have to do is keep placing your orders from any of our Catalogues:

Freemans

Betterware

JoJo Maman Bébé

And remember every Euro you spend with us can earn You Money!!!
